

On the Subject of Simon Says

This is like one of those toys you played with as a kid where you have to match the pattern that appears, except this one is a knockoff that was probably purchased at a dollar store.

- 1. One of the four colored buttons will flash.
- 2. Using the correct diagram below, press the button with the corresponding color.
- 3. The original button will flash, followed by another. Repeat this sequence in order using the color mapping.
- 4. The sequence will lengthen by one each time you correctly enter a sequence until the module is disarmed.
